

Dear Parents/Carers,

14<sup>th</sup> October 2016

Following last night's PTFA meeting it was agreed that, in order for us to continue to fundraise for Holy Family and its children, we need at least one volunteer from each class to join the PTFA.

In the past the PTFA consisted of over 30 members who each brought a vast amount of experience and ideas to the table enabling Holy Family to hold fund raising events for the children. We would like to get this back – we are a family focused school and really want to give our children the best we can.

As our older children have moved into higher education the number of parents on the PTFA has reduced and we now need a new influx of volunteers who will help to regenerate the 'family' ethos of our school.

The school's mission statement is to 'Pray Together, Play Together and Learn Together'. Please help us to achieve this by giving us just one hour of your time each half term to support our school.

Events are organised for Holy Family children and their families to enjoy. It also enables the PTFA to fund resources for the benefit of children. Without the PTFA we wouldn't be able to pay for events, transport, iPads, books and many other resources our children need.

If you are a parent at Holy Family...**THE FUTURE OF THE PTFA IS IN YOUR HANDS!**

If you are interested in helping or have new ideas, please leave a message for the PTFA at the school office.

We look forward to hearing from you and generating a wealth of opportunities for our children to benefit from the PTFA.
