Thank you

The CAFOD 'Walk Against Hunger' sponsored event we took part in before Easter raised an amazing £569.50. Thank you so much to everyone who donated to this worthwhile cause. Once again, we have been amazed by the generosity of our school community.

A huge well done to our fantastic Year 6

This awesome bunch have worked so hard this week and shown a wonderful attitude to the tests, taking it all in their stride and supporting one another through a very busy week. We are very proud of all of them – what a team!

PTA Pre-loved Uniform shop

Thank you so much to the PTA for organising our very own pre-loved uniform shop. Whether stocking up for spares or preparing ahead for September, there are plenty of good-as-new uniform items on sale. Many items cost as little as a £1. Not only does this venture raise money for school funds, it also is a wonderful way to support the environment as we reduce, reuse and recycle. Why not take a look – the link is available on the PTA twitter and Instagram accounts. *(Any clothing donations will be most gratefully received. Please place them in the blue wheelie bin near the Year 1/Reception classroom.)*

27th May – Sports Day and Platinum Jubilee Celebrations

Due to the restricted space available on the field we have had to make some changes to the timings of the Sports Day. KS2 will now do their sports at different times:

9.15am - Reception and KS1 Sports

10.15am – Year 3 and 4 Sports

11.15am – Year 5 and 6 Sports

12.30pm Whole School jubilee picnic on the field.

The children will join together for a whole school celebration on the field to celebrate the Queen's platinum jubilee. Please complete the form on Parent App if you would like your child to have a school dinner (picnic lunch) that day so the catering team can prepare. The cost for the dinner is £1.00

Parent Questionnaire Feedback

A number of parents expressed in their feedback that they would like more information about what the children are learning in class. The class pages on the website have been updated and more information will be added over the course of each term. The curriculum section of the website is also under review and each subject page is being updated with information such as progression maps and knowledge organisers for each curriculum area.

#OrigamiwithSophie

If you haven't yet had a chance to visit the glasshouse in Victoria Park, there is still time to see the installation before it is brought back to school.

14th, 22nd and 28th May 10am – 12pm
