# Online Safety Information

- Once a month, we will be sending out an Online Safety Newsletter for our Parents and Carers. This will help us to highlight any changes to be aware of regarding online safety, age restrictions and apps to be aware of.
- We are always here to help if you have any queries about Social Media or children using the internet safely.
- Children have regular lessons in school regarding Online Safety.

# Snack and water bottles

- Please could we ask that children bring 1 healthy snack to school, such as a piece of fruit.
- Please can we ask that cereal bars are not sent into school as we have children in school with severe nut allergies. Packed lunches should also not have any foods which contain nuts, e.g. Nutella.
- Please could children bring in a drinks bottle to school, which is filled with water.
