Covid 19 Update

We have been holding discussions this week with Public Health England, the Local Authority and Health and Safety representatives following an increase in positive cases across school. Increased protective measures have been implemented such as not gathering for assemblies, enhanced cleaning and more frequent fresh air breaks to ensure school is well ventilated. Unfortunately, we had to postpone the photographer until January, and have had to cancel the Anti-bullying performances next week. The situation will be reviewed regularly and hopefully we can return to our normal routines soon. Thank you for your understanding and continued support.

Christmas News

Once again, Covid restrictions mean that unfortunately we cannot invite parents into school to watch Christmas productions this year. Instead, we will bring the show to you! Reception class will film their Christmas show and share it with

parents before the end of term. All other classes will be performing some Christmas songs outside on the afternoon of our Christmas Craft Market on 9th December. The stalls will open from 2.30pm (if you wish to do some early Christmas shopping) with singing taking place from 3.15pm. More details with times of classes singing nearer to the time.

Non- Uniform Days

26th November – please can a **bottle donation** be brought in for the Christmas tombola
3rd December - please can a **chocolate donation** be brought in for the Christmas tombola

Please can you help?

Gazebos - Do you have any we can borrow for our Christmas market – any help putting things up on the day would be most appreciated.

Christmas trees or decorations – If you have any unwanted Christmas goods that we can put to good use in school please send them in.

Raffle prizes – do you have anything you can donate for a raffle? Any donations would be very much appreciated. Many thanks in advance.

Respect, Responsibility, Resilience
