## Rejoice Assemblies

Each class has been timetabled throughout the Spring and Summer terms to hold a short Collective Worship that will be filmed and uploaded on Seesaw or Tapestry. Please note the amended times in the list of dates above for Years 4 and 5. We're disappointed not to be able to invite parents in to celebrate in person with us and very much look forward to the day we can do this. In the meantime, we hope the children will enjoy sharing the video of their Rejoice assembly with you when it is their turn.

## Daily Mile markings

New playground markings were installed this week as part of the Daily Mile initiative. The children have enjoyed using them as part of their daily exercise this week.

## Notifying school of medical appointments

Please can all non-urgent appointments such as routine dental check-ups be scheduled after school or during holiday time where possible. All medical appointments will of course be authorised but please can you let us know in advance of any appointment that will require your child to arrive late or be picked up early. Please use the Leave of Absence form on ParentApp to notify us. If you do need to take your child out in the middle of the school day, please can they be dropped off back at school as soon as possible after the appointment.

## Thank you

Year 3 would like to say a huge thank you for the box of torches that were kindly donated to school this week via Amazon! This new equipment has really helped them in their Science topic.

## Key Stage Assemblies and Covid update

KS2 enjoyed a virtual assembly on Zoom today to minimise mixing as Covid cases are currently high in some classes. We are following all Public Health advice and hope the recent spike in cases will soon decline. If you require any further guidance on isolation periods and testing please see the link below:

[Stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/stay-at-home-guidance-for-households-with-possible-or-confirmed-coronavirus-covid-19-infection)
