## Parent and Teacher Meetings

If you have selected a face- to -face meeting next week, please do not arrive too early as all meetings will take place in the community rooms and we do not have a waiting area for parents. Please walk past the main doors, around past the kitchen and there will be signs to show you where to go. Teachers will need to stick to a very tight schedule as they are moving from School Cloud meetings to face to face throughout the day. The School Cloud meetings cannot be delayed so the in -person meetings must run to time.

Many thanks for your support with this and please bear with us as we trial this hybrid of meetings.

## Viewing children's work

After Easter, we will be inviting parents into the classrooms to see their children's work. I'm sure the children will enjoy showing off their books and highlighting their proud moments. Parents can come into the classrooms to view their books on either of the following times:

6<sup>th</sup> April – 3.15 – 3.45pm or

7<sup>th</sup> April - 8.30 – 8.45am

## PTA - Thank you

Thank you to our hardworking PTA for organising our 'Pots of Love' plant sale and very successful doughnut sale this week. Both events took a lot of planning and preparation behind the scenes and we are very grateful to the parents who were involved in that.

## Friday 1<sup>st</sup> April -Sponsored Walk

KS1 will be walking laps around the school grounds and field. KS2 will be completing a circular route around the village and then walking around the pasture. Please can a donation be made for CAFOD on the day of the event through ParentPay. Many thanks.

## Outdoor Play Equipment

We are pleased to announce that the Adventure Trail has now been fixed and is safe to be used. Children will have access to it during supervised sessions during the school day. **Please can we remind you that it should not be used before or after school.** Many thanks for your support with this.

## A busy week!

It has been a very busy week in school and the glorious sunshine has brought lots of smiles as the children have enjoyed playing and learning outside. We had a wonderful Mother's Day Tea Party for our Reception class, Science Workshops (Thank you very much to Mr Peake for leading those sessions with Mr Lee) and a wonderful assembly to celebrate Neurodiversity week.

Lots of photographs on Twitter so please take a look.
