together

| Year 4 - Autumn Term |  |  |  |
| :---: | :---: | :---: | :---: |
| Number: Place Value | Number: Addition and Subtraction | Measurement: Length and Perimeter | Number: Multiplication and Division |
| Count in multiples of 6, 7, 9, 25 and 1000 <br> Find 1000 more or less than a given number <br> Recognise the place value of each digit in a four-digit number (thousands, hundreds, tens, and ones) <br> Order and compare numbers beyond 1000 <br> Identify, represent and estimate numbers using different representations <br> Round any number to the nearest 10 , 100 or 1000 <br> Solve number and practical problems that involve all of the above and with increasingly large positive numbers <br> Count backwards through zero to include negative numbers <br> Read Roman numerals to 100 (I to C) and know that over time, the numeral system changed to include the concept of zero and place value. | Add and subtract numbers with up to 4 digits using the formal written methods of columnar addition and subtraction where appropriate <br> Estimate and use inverse operations to check answers to a calculation <br> Solve addition and subtraction twostep problems in contexts, deciding which operations and methods to use and why. | Measure and calculate the perimeter of a rectilinear figure (including squares) in centimetres and metres <br> Convert between different units of measure [for example, kilometre to metre] | Recall multiplication and division facts for multiplication tables up to $12 \times 12$ <br> Count in multiples of 6, 7, 9, 25 and $1,000$ <br> Use place value, known and derived facts to multiply and divide mentally, including: multiplying by 0 and 1 ; dividing by 1 ; multiplying together three numbers <br> Solve problems involving multiplying and adding, including using the distributive law to multiply two digit numbers by one digit, integer scaling problems and harder correspondence problems such as $n$ objects are connected to m objects. |

| Year 4-Spring Term |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :---: | :---: |
| Number: Multiplication and <br> Division | Measurement: Area |  | Number: Fractions |  |  |

# Holy Family Gatholic Primary schoolo Crowton Mear 4 Long Term Plan and Temily Overview 

| Year 4 - Summer Term |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Number: Decimals | Measurement: Money | Measurement: Time | Statistics | Geometry: <br> Properties of Shape | Geometry: Position and Direction |
| Compare numbers with the same number of decimal places up to two decimal places Round decimals with one decimal place to the nearest whole number <br> Recognise and write decimal equivalents to $1 / 4,1 / 2$ and $3 / 4$ <br> Understand the effect of dividing a one- or two-digit number by 10 and 100 , identifying the value of the digits in the answer as ones, tenths and hundredths | Estimate, compare and calculate different measures, including money in pounds and pence <br> Solve simple measure and money problems involving fractions and decimals to two decimal places | Read, write and convert time between analogue and digital 12- and 24hour clocks <br> Solve problems involving converting from hours to minutes; minutes to seconds; years to months; weeks to days | Interpret and present discrete and continuous data using appropriate graphical methods, including bar charts and time graphs <br> Solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs | Identify acute and obtuse angles and compare and order angles up to two right angles by size <br> Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes <br> Identify lines of symmetry in 2-D shapes presented in different orientations <br> Complete a simple symmetric figure with respect to a specific line of symmetry | Describe positions on a 2-D grid as coordinates in the first quadrant <br> Plot specified points and draw sides to complete a given polygon <br> Describe movements between positions as translations of a given unit to the left/right and up/down |
