If your child is at HF Clubhouse on Friday afternoon, the staff will be able to take them around the summer fayre and join in with the class songs. If you would like to send spending money in with your child, please could you place it into an envelope with their name written on.

Thank you for the donation of bottles today. Next week, the children can wear their own clothes for school on Friday, in exchange for a donation of sweets or chocolate. We are very grateful of your support with our fundraising for school.

Curriculum Enrichment

We're planning a number of trips and visitors/events in school next year that will enrich our curriculum and provide the children with a wide range of exciting and educational experiences. It's wonderful to be able to plan ahead and book these activities after the last couple of years where the children have missed out on so much. Unfortunately, coach hire is extremely expensive and impacts hugely on the overall price we charge per pupil. With this in mind, we will give parents as much advance notice as possible of events so you can plan ahead for this. Please see the diary above for current bookings. More dates will follow.

Autumn Term Coffee mornings

Parents/Carers are invited in for an information meeting at the start of term where class teachers will share curriculum plans, day to day information and give you the opportunity to ask any questions. Each coffee morning will start at **9am** and last for approximately an hour.

26th September Reception

27th September Year 1

28th September Year 2

29th September Year 4

30th September Year 3

3rd October Year 5

4th October Year 6

Sponsored Colour Run for a Well-being Garden 15th July

Please see last week's newsletter for more information about this. There are two ways the children can be sponsored : ParentPay can be used for donations or through the JustGiving site. We really appreciate any donations towards our new well-being garden.

A reminder that children can have a £1 picnic lunch that day. This will help minimise the amount of bags/belongings brought into school as children will be dismissed straight from the field at 1.30pm following the run (Year 6 will have a special send off!)

Details about the powder paint being used will be sent out next week so anyone with allergies can check the ingredients.
