

Holy Family Catholic Primary School Cronton

Year 4: PSHE spring term

Themes: What makes a community; shared responsibilities, how data is shared and used, making decisions about money; using and keeping money safe.

Throughout the term, children will learn:

The meaning and benefits of living in a community.
To recognise that they belong to different communities as well as the school community.
About the individuals and groups that help the local community, including through volunteering and work.

That everything shared online has a digital footprint.
That organisations can use personal information to encourage people to buy things.
To recognise what online adverts look like.
To compare content shared for factual purposes and for advertising.

How people make different spending decisions based on their budget, values and needs.
That how people spend money can have positive or negative effects on others e.g. charities, single use plastics.

Key vocabulary:

Community: a group of people living in the same place or having a particular characteristic in common.
Volunteering: freely offer to do something.

Digital footprint: the information about a particular person that exists on the internet as a result of their online activity.
Advertising: the activity or profession of producing advertisements for commercial products or services.

Spending: the action or practice of spending money, especially excessive amounts of money.
Budget: an estimate of income and expenditure for a set period of time.
Charity: an organization set up to provide help and raise money for those in need.
