EDUCATION PENALTY NOTICES

**A Guide for Parents/Carers
September 2023**

WHAT IS AN EDUCATION PENALTY NOTICE?

As a parent/carer it is an offence if your child fails to attend school regularly. Absences are classed as unauthorised if without a valid reason or school cannot or has not given permission.

In some circumstances parents/carers may be prosecuted under section 444 of the Education Act 1996.

An Education Penalty Notice is an alternative to prosecution and aims to improve attendance. If paid within the timescale, this prevents the matter escalating to the Magistrates Court for the period concerned.

WHY AM I BEING SENT THIS LEAFLET?

This leaflet has been sent to all parents/carers and confirms the commitment of all schools to improve attendance. It aims to raise awareness of the need for your child(ren) to attend regularly and on time in order to achieve their best. It is important parents/carers understand their responsibilities and the consequences of unauthorised absence. Parents/carers of children who have had some unauthorised absence during this academic year at school are at risk of receiving an Education Penalty Notice.

WHEN ARE EDUCATION PENALTY NOTICES USED?

You may be issued with an Education Penalty Notice for any of the following reasons:

- 10 sessions (5 days) in any 10 week period of **consecutive** unauthorised absence including an unauthorised leave of absence (e.g. holiday).
- 10 sessions (5 days) in any 10 week period of **non-consecutive** unauthorised absences.
- Unauthorised absence due to truancy – including pupils stopped on truancy operations.
- Persistent late arrival at school (after the register has closed).
- Being found in a public place during the first 5 days of exclusion.

Homework

All homework will be set using Seesaw. If children have no access to internet at home parents will need to inform school so alternative arrangements can be made. Passwords will be sent home again, if they are needed.

Children will receive their homework on a Monday, which is to be completed for Friday.

Homework for this half term will consist of:

TT Rockstars

Spelling and Maths practice on Edshed

SPAG Online

There will be a big emphasis on the children knowing their multiplication tables and corresponding division facts. So please encourage your child to go on TT Rocks and any times tables apps.

Spellings

- Children will be given 15 spellings to learn fortnightly as part of their homework. The words set will be taught in class and unpicked to identify sounds and their matching grapheme representations. This is so our children can recognise how sounds are written and then they can apply this knowledge to the spelling of other words.
- At the end of the two-week cycle, the children will be given words to spell in class that are not the same as have been practised at home, but words that contain the same sounds and graphemes. Please encourage your child to practise these spellings at home in frequent, short bursts across the fortnight to help those spellings stick.

Reading

- We recognise the importance of children developing their reading fluency and text comprehension at their individual pace, but we don't want children to feel limited with their reading choices. Reading for Pleasure is the key to unlocking children's love of reading!
- Because of this, children are provided with two reading books- one based on their Accelerated Reader level, which will support them to develop their fluency, and a 'Reading for Pleasure' book, which is any book that they have chosen to read because it appeals to them.
- Reading for Pleasure books can be read independently, or shared with a family member if the text is more challenging than their AR book.
- Children will take home both books every night, and they must be returned with their Reading Diary **every day** as they will be used during independent reading times and for reading support in class if required.
- **Children should be reading each night for 20 minutes.** Children can read from either book when they are taken home (although we do recommend ensuring both are accessed, as AR books are needed to support fluency development).
- After reading any book, children should complete an Accelerated Reader quiz on the book. The URL has recently changed- a new link to access it will be added to Seesaw. (Usernames and passwords are the same- ensure passwords are entered in lower case.)

Reading diaries

- Reading diaries are also taken home every night to be returned each day.
- We ask that they are completed each day. We will monitor diaries weekly to determine how much reading has been completed across the previous week by your child.
- We have made our diaries very simple so they are quick to keep up to date.
- Please record the page number that your child read to on a given night. They should also record when a book has been finished so we can see when they changed their book.
- A comment section for each week is available underneath if you would like to comment on your child's reading or if they would like to write something themselves. Comment ideas are in the diary!
- Children should also record in the diary a list of the books they are currently reading.
- If reading diaries have not been seen in school for one week, a Parent App message or phone call will be made by the teacher to ask about your child's reading habits.

School Snack Guidelines

- Most children require a snack at morning break to keep them going through the day.
- We encourage children to bring in healthy snacks.

- If you are intending to send in healthy snacks here are some suggestions below:
- Vegetable sticks – such as celery, cucumber, peppers or carrot.
- A piece of cheddar cheese or babybel
- A piece of fresh or dried fruit. **Grapes must be sliced in half.**
- Bread sticks, plain pretzels, banana bread, malt loaf, oat/rice cakes and small pitta breads are also good snacks, providing children with carbohydrate to sustain them in-between meals.
- Homemade snacks such as flapjacks or other oat/whole grain based snack.
- **Everything sent into school must be nut free.**
- Items brought into school should be carefully checked by you, to ensure this.
- We have pupils who are severely allergic to a range of nuts.
- **We are aiming for a common-sense approach, with the key being to keep it healthy and no chocolate, sweets or crisps at breaktimes.**
- We need the children to stay hydrated and so please ensure they bring a named water bottle into school daily.

YOUR HOLY FAMILY PTFA

welcome to 23/24

Your PTFA exists to support the school by raising additional funds for the children of Holy Family. All parents of children attending Holy Family are automatically members of the PTFA but we also welcome support from anyone with a link to the school.

The events that we run wouldn't be possible without our volunteers, and we are incredibly grateful to all parents, teachers and friends who volunteer their time.
