Key principles of invasion games

Attacking	Defending
Score goals	Stop goals
Create space	Deny space
Maintain possession	Gain possession
Move the ball towards goal	

Key Rules

- **Footwork:** The first foot to touch the ground when a player receives the ball is known as the landing foot. If both feet are already on the ground, a player can choose their landing foot. Players can lift their landing foot from the ground but cannot place it back down. Encourage players to keep their landing foot on the ground, the other foot may then be moved in any direction, pivoting on the landing foot.
- **Held ball:** In 5-a-side a player has 4 seconds to pass or shoot, otherwise a free pass is awarded to the opposing team.
- **Contact:** A player is not allowed to contact an opponent.
- **Obstruction:** A defender must be 1m away from the ball carrier before they put their arms up, otherwise a penalty pass is awarded to the opposing team.

- **pivot**
- **interception**

Teacher Glossary

- Possession:** when a team has the ball they are in possession
