

Artists

Molly Haslund is a Danish artist who makes drawings outside using her body.

Molly often ventures out into the city with a huge pair of compasses much taller than herself. She finds somewhere to stop and will draw a white circle on the ground.

Molly will create patterns using circles that overlap one another.

Key Vocabulary

Spiral	A winding continuous and gradually widening curve.
Line	A mark made on a surface that can be straight or curved.
Pattern	A design made of lines, shapes and colour.

Tools

Graphite Sticks

Chalk
