

Artists

Paul Klee (1879 -1940) was a Swiss-born German artist. His work was often inspired by music due to his musical upbringing and he loved mixing different colours. Klee enjoyed using watercolours but often combined this with different materials such as oil pastels.

Key Vocabulary

Primary Colours	A set of 3 colours; red, yellow & blue that all other colours can be made from.
Secondary Colours	The result of mixing two primary colours together.
Watercolours	A paint that can be mixed together with water to create a rich colour.

Tools

Watercolours	
Pencils	
Crayons	
Cartridge Paper	

Skills

I can recognise primary colours and use colour mixing to discover secondary colours.
I can paint thick and thin lines, big and small shapes in a range of colours and surfaces.
I can discover that colours can be made lighter or darker by adding more water/pigment.
I can explore a range of paintbrush sizes and tools.
