

Artists

Sir Christopher Wren was an English scientist, mathematician, and architect. He is best known for designing many of the new buildings in the City of London following the devastation caused by the Great Fire of London in 1666.

David Best is an American artist who created the piece 'London 1666' an 120-metre long sculpture of a London skyline that was ignited on the River Thames.

Key Vocabulary

Foreground	The part of the picture that is closest to the viewer, which will contain lots of detail.
Background	The part of a picture that provides a setting.
Warm Colours	Any colour that is vivid or bold.

Tools

Coloured tissue & paper	
Scissors	
Marbling inks	
Fineliner	

Skills

I can use a range of cutting, tearing and fixing techniques such as folding, crumpling and overlapping.

I can think carefully about colours, shapes, texture, and composition.

I can use scissors in a controlled way to cut with accuracy.

I can continue to colour mix to secure knowledge of secondary colours as well as discuss and use warm/cold colours.

I can explore resist printing (marbling).
