

## Artists

Chris Kenny is a UK artist who works with found materials such as fragments of books or maps, discarded photographs and fine twigs, which he transforms into fragile constructs.

Worry dolls are traditionally handmade in Guatemala from wire, wool and small pieces of fabric. The dolls are often tiny and given to children to help them with their worries. Children will share their concerns with their dolls and then place their dolls under their pillows at night where the worries will go away.

## Key Vocabulary

Sculpture	A piece of art made in 3 dimensions
Form	A 3-dimensional shape like a cone or pyramid. Form is fundamental in sculpture.
Structure	The arrangement of many parts that have been put together.

## Tools

Twigs

Wool

Paper

Scissors & glue

## Skills

I can cut, form, tear, join, and shape a range of materials to make things I have designed and inventor.

I can make simple plans for making.

I can experiment with constructing and joining natural and man-made materials.

I can work safely and with basic tools and materials.
