

Artists

Stonehenge is a prehistoric monument in Salisbury and one of Britains most famous landmarks.

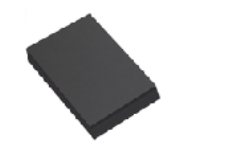

Stonehenge is made up of an outer ring of vertical stone slabs and connecting horizontal lintels. The stone pieces are around 13 feet high and 7 feet wide.

Archaeologists believe the piece was constructed between 3000BC to 2000BC

Key Vocabulary

Landscape/ portrait	Refers to the orientation of a piece of art. Portrait - vertical, landscape - horizontal.
Tints	When you add white to a colour to make it lighter.
Shades	When you add black to a colour to make it darker
Colour Wheel	A chart of colours that shows their relationship to each other used in colour mixing.

Tools

Acrylic Paints	
Oil Pastels	
Pencils	
Black Paper	

Skills

- I can effectively control drawing media to create light and dark with different grades of pencils.
- I can explore texture and tone through hatching and cross hatching when drawing from photographs.
- I can mix secondary and tertiary colours to paint with to create different effects and textures.
- I can learn how depth is created by varying the tones or colours such as in skies and landscapes.
