

Artists

People in ancient Rome had many skills. There were many artists during the Roman period. These artists would create paintings, sculptures, and many of them pottery. Pottery would be used for many different things, such as holding water or the ashes of a loved one.

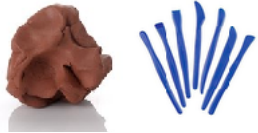

Grayson Perry was born in 1960. He is an English contemporary artist, writer and broadcaster. Grayson Perry uses pottery and sculpture to tell stories of important world events or disasters. Perry's vases are inspired by classical shapes and are painted with vibrant colours.
