

Artists

Frida Kahlo was born in 1907 in Mexico. She is known for her unusual style and self-portraits inspired by Mexican culture. Her work used lots of bold, bright colours and often referenced nature.

She was a strong, confident woman who was not afraid to be different. Her art helped her overcome many physical challenges and this is evident in her paintings.

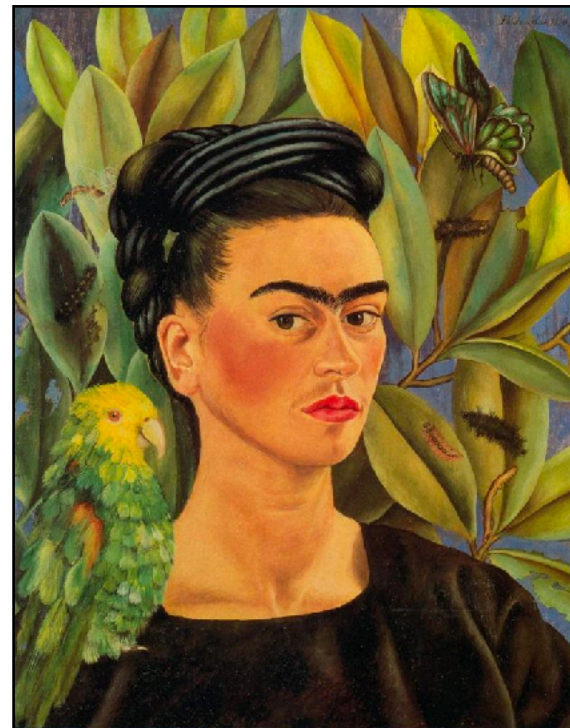

Key Vocabulary

Collagraph	A relief print is sometimes called a collagraph and is made of shapes of material added in relief to the surface of the tile.
Mood Board	A collection of colours, shapes, words, sketches and images of the artists work or theme.
Texture	The surface quality of a piece of art. This could be through touch or sight.

Tools

Cardboard	
PVA & Scissors	
Collage	
Printing Inks	

Skills

I can research, design, and create a collagraph print using a range of materials

I can select the kinds of material needed to print to get the effect I want.

I can create accurate drawings from second-hand sources.

I can show progress in controlling line & shading when drawing shape, form, texture, pattern, light and shade.
