

Artists

Grayson Perry is a contemporary British artist. He created this map of a walled city as a self-portrait for an exhibition at the National Portrait Gallery. He said ‘I thought the walled city was a good metaphor – the wall, I suppose, can roughly be interpreted as your skin. But like any city, it’s dependent on the landscape it sits in as well.’

Paula Scher is an American graphic designer, painter and art educator in design. Paula creates branding, but she also created a series of colourful and detailed “maps”
