

#### **History Progression in EYFS**

The EYFS framework is structured very differently to the National Curriculum as it is organised across seven areas of learning rather than subject areas. This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for History within the National Curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for History.

The most relevant statements for History are taken from the following area of learning:

• Understanding the World

Interpretations of history	EYFS Framework Understandi ng the World (Past & Present)	<b>KS1 History National Curriculum</b> Children should understand some of the ways in which we find out about the past and identify different ways inwhich it is represented.			KS2 History National Curriculum Children should understand how our knowledge of the past is constructedfrom a range of sources.		
Interpre	Know that information can be retrieved from books or computers.	Begins to identify and recount some details from the past from sources (eg. pictures, stories) Compare adults talking about the past – how reliable are their memories?	Looks at books and pictures (and eye- witness accounts, photos, artefacts, buildings and visits, internet). Compares pictures or photographs of people or events in the past. Discuss reliability of photos/accounts/ stories. Understands why some people in the past did things.	Compares two versions of the same event and identifies differences in the accounts. Looks at representations of the period – museum, cartoons etc	Give reasons why there may be different accounts of history. Looks at the evidence available and begins to evaluate the usefulness of different sources. Use text books and historical knowledge.	Looks at different versions of the same event and identifies differences in the accounts, evaluating the usefulness of each. Gives clear reasons why there may be different accounts of history. Knows that people (now and in past) can represent events or ideas in ways that persuade others.	Understands that the past has been represented in different ways. Considers ways of checking the accuracy of interpretations – fact or fiction and opinion. Suggests accurate and plausible reasons for how/why aspects of the past have been represented and interpreted in different ways. Knows and understands that some evidence is propaganda, opinion or misinformation and that this affects interpretations of history.

Historical concepts	Similarity / Differenc e within a period/sit uation (diversity) Continuit y and change in and between periods	EYFS Framework Understanding the World (Past & Present) Know about similarities and differences between themselves and others, and among families, communities and traditions. Look closely at similarities, differences, patterns and change. Develop an understanding of growth, decay and changes over time.	KS1 History National Curriculum Pupils should identify similarities and differences between ways of life in different periods. Children should choose and use parts of stories and other sources to show that they know and understand key features of events. Make simple observations about different types of people, events, beliefs within a society. Identifies similarities/ differences between ways of life at different times. Children can identify independently a range of similarities, differences and changes within a specific time period. E.g. Recognise differences in aeroplanes from different decades.	KS2 History National Curriculum Children should note connections, contrast Describe social, cultural, religious and ethnic diversity in Britain & the wider world. Describe/make links between main events, situations and changes within and across different periods/societies. Children can make valid statements about the main similarities, differences and changes occurring within topics. E.g. Categorise changes into the different periods of the Stone Age.	
	Cause and conseque nce	Question why things happened and give explanations.	Recognise why people did things, why events happened and what happened as a result. Children can identify a few relevant causes and effects for some of the main events covered. E.g. Identify several causes, motives and effects of the Gunpowder Plot.	Identify and give reasons for, results of, historical events, situations, change. Children can comment on the importance of causes and consequences for some of the key events and developments within topics. E.g. Explain why some reasons were important in changing the outcome of Caesar's attempted invasions of Britain.	Identify and give reasons for, results of, historical events, situations, change.
