Introduction

Holy Family Catholic Primary School Cronton is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

At Holy Family Catholic Primary School Cronton, we are driven by an unwavering commitment to making school attendance a top priority, fully integrated with every aspect of school improvement. Using the Inclusive Attendance Model – the first and only accredited programme providing the pedagogy of practice – we support children and families to connect, belong, and thrive.

Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management seamlessly integrate theory into practice.

Inclusive Attendance Implementation Programme

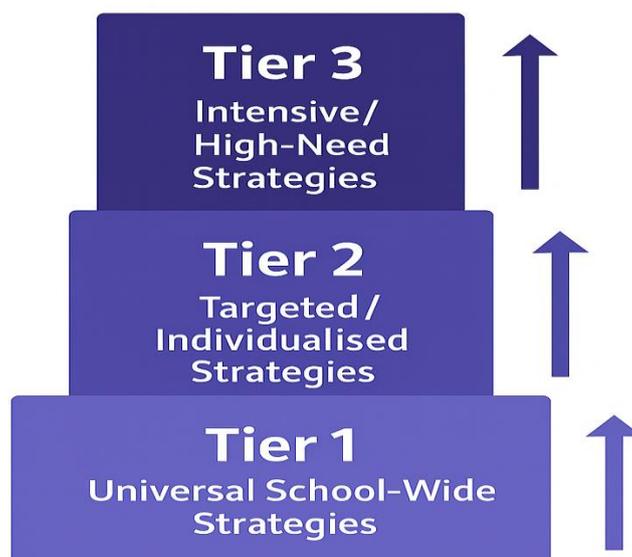

Each year, Holy Family Catholic Primary School Cronton reviews and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month implementation programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible support.

Impact and Collaboration

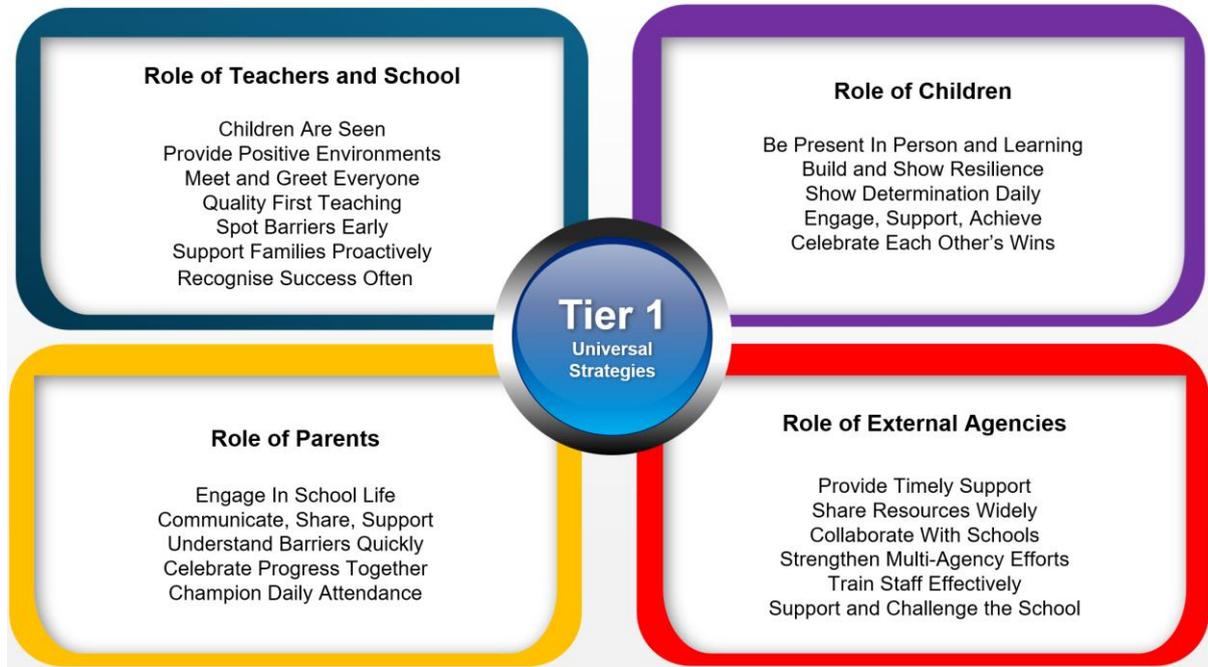

Through our ongoing year-long implementation programme, and five-year long-term strategy, we deliver measurable impact by creating an inclusive attendance culture and improving outcomes for children and young people. We are outward-facing in our approach and value working regionally and nationally, through a systems-led model with other schools and external agencies. We continually strengthen and enhance our offer year on year. This work is underpinned by ongoing accredited CPD for staff, ensuring sustainable change, stronger outcomes for children and young people, and a deeply embedded culture of collective responsibility.

A Multi-Tiered System of Support

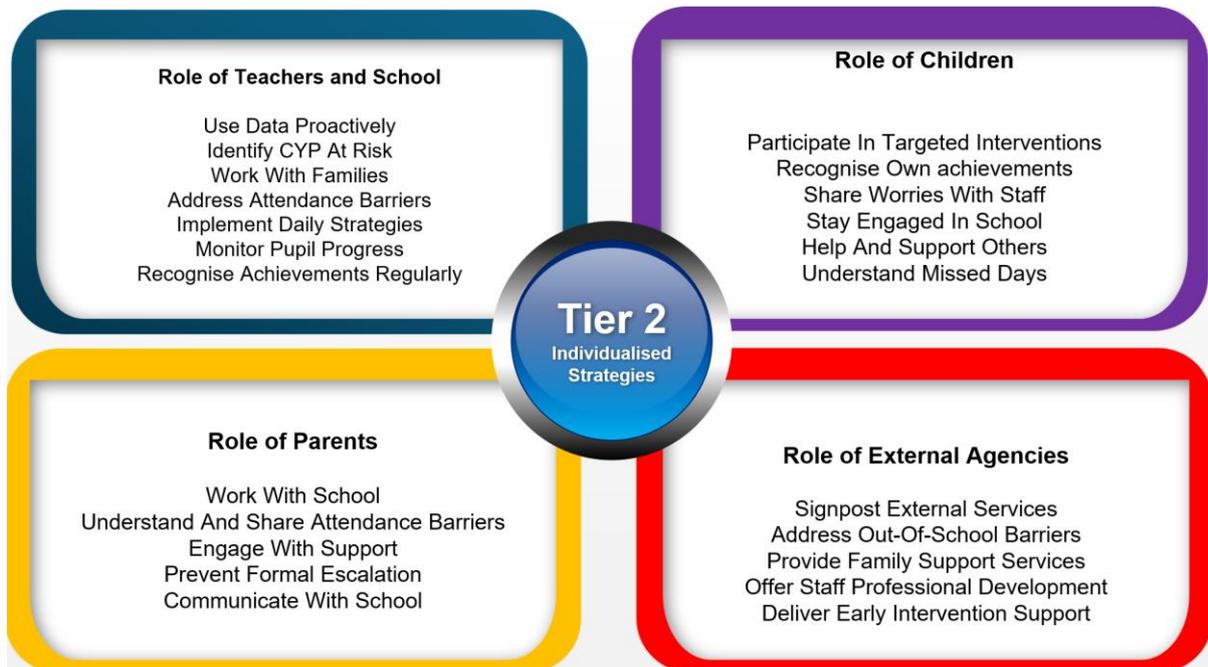

To guarantee a comprehensive approach to attendance, Holy Family Catholic Primary School Cronton, implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

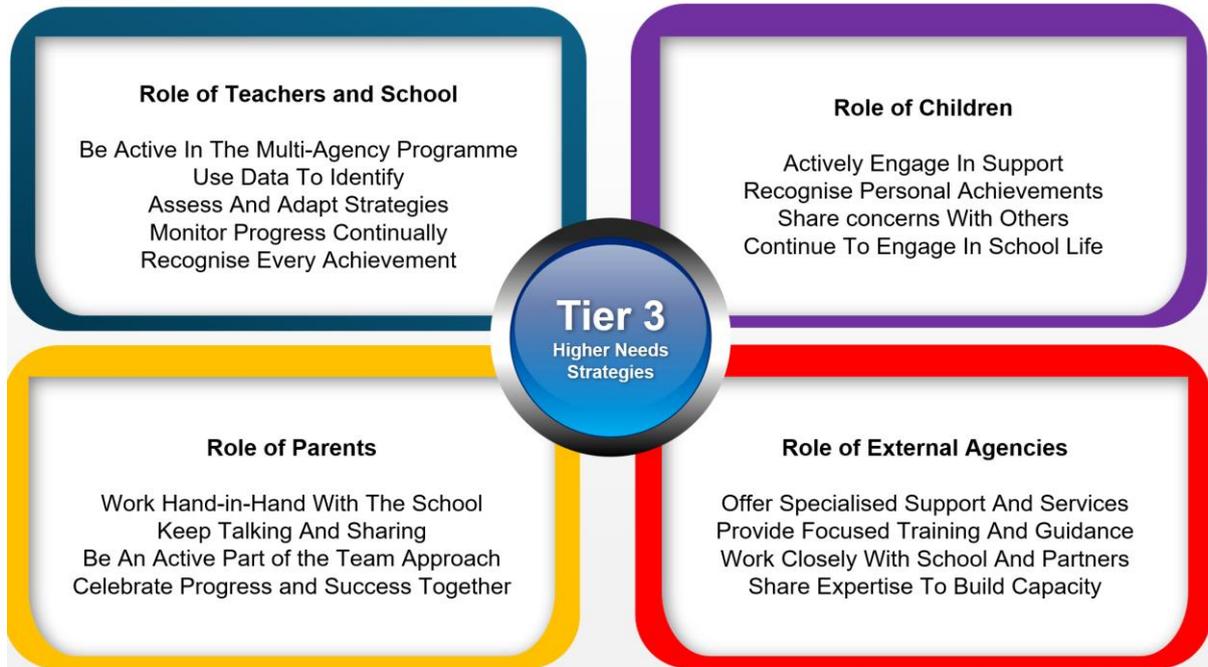

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

Holy Family Catholic Primary School Cronton Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

The Importance of School Attendance at Holy Family Catholic Primary School Cronton

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- **Academic Achievement:** Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- **Knowledge Acquisition:** School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing valuable learning opportunities.
- **Social Development:** School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.
- **Building Routine:** School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.

- **Teacher Interaction:** Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- **Preventing Knowledge Gaps:** Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- **School Engagement:** Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- **Legal and Parental Responsibility:** Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- **Community Well-being:** High levels of school attendance contribute to the overall well-being of communities.

Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

Health Issues: Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

Family Circumstances: Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.

Bullying and Safety Concerns: Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

Socioeconomic Factors: Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

Special Educational Needs (SEN): Students with special educational needs may require additional support and accommodations to attend school regularly.

Engagement and Motivation: Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

Academic Challenges: Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.

Cultural and Language Barriers: Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school.

Peer Pressure and Social Factors: Influence from peers can impact attendance. Children may avoid attending school to align with the behaviour of their peers or to engage in social activities outside of school.

Parental Involvement: Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

Supporting Attendance at Holy Family Catholic Primary School Cronton

To address any identified attendance issues effectively, we will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

Removal from roll

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

Please inform school in writing if you wish to remove your child from roll and electively home education. School will then inform the Local Authority EHE team and they will process the request.

Day-to-Day Processes for Managing Attendance

Parents / carers can report an absence for their child via the Arbor app. The absence message will then be reviewed in school by the Attendance team.

First Day Response and Safeguarding

If your child has not arrived at school by 9:30am then Mrs Grady will begin to make First Day Response calls / emails to query why your child is absent. If school have not received any contact then a further call will be made on the second day of absence and marks will remain as Unauthorized absences until the absence has been discussed. If a child has been absent for 10 days then school staff can complete a home visit to check on the pupil's welfare.

School Times of the Day

The school gates will be open from 8:30am and the classroom doors open at 8:45am so that children have enough time to make it into class on time. The register will be taken at 8:50am and the school gates will be closed at this time. Children arriving at school after 8:50am will need to enter the building via the school office and they will be marked as Late. If a child arrives at school after 9:20am then they will be marked as an Unauthorised absence. The school day ends at 3:20pm.

Coding of Attendance

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

Parents or carers must request leave of absence for their child in writing at least 14 school days in advance. Leave of absence during term time will only be authorised in exceptional circumstances.

Reporting a Child's Absence

Parents or carers must report their child's absence via the Arbor app on the first day of the absence and provide a reason. Absences will then be reviewed on Arbor by the school Attendance Team.

Holiday Request

Holidays during term time will not be authorised. Holiday requests must be made in writing, and a decision will be communicated to the parents or carers within 14 school days.

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify each term when a child is at Risk of PA and we will follow internal school procedures. Parents can speak to their child's class teacher to discuss attendance concerns, or a meeting can be held with a member of the Attendance Team.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

Threshold: Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

Absence Definitions

- Arrival at school after the register has closed.
- Not attending school for any reason.

Authorised Absence

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
